

Drive-thru COVID-19 testing at select Walgreens

Walgreens has partnered with the U.S. Department of Health and Human Services (HHS) to open drive-thru testing locations in Florida. Testing will be provided to Eligible individuals at no cost.

Who is eligible?

Based on CDC guidelines, individuals age 18 and older with or without symptoms are eligible.*

How do I make an appointment?

- First, take the eligibility assessment at [Walgreens.com/COVID19Testing](https://www.walgreens.com/COVID19Testing)
- If eligible, you will be directed to select a location and an appointment

How is the test administered?

- The test is a self-collection using a nasal swab, while remaining inside your car
- Walgreens pharmacists will be on-site to provide instructions

How and when will I get results?

You will receive results through either email or phone by the end of your testing day, or by mail.
