Limited General Visiting Hour Guidelines

General Units & Critical Care:	12pm -6pm
Brookdale Rehabilitation:	4-8pm
Behavioral Health (4SE):	1-2pm and 6-6:45pm
Birthplace:	All Hours - one visitor at a time, 18yr+
Pediatrics & NICU:	All Hours - parents/guardians, 18yr+

- ✓ Upon arrival to the hospital lobby, all visitors must practice social distancing to the extent possible and complete a screening process.
 - ✓ General visiting is limited to one visitor, age 12 and over, per patient at a time (Except Birthplace, NICU and Pediatrics).
 - ✓ Visiting for patients in isolation will be determined by clinical staff, on a case by case basis.
 - ✓ Visitors are required to wear a hospital supplied face mask for the **entire time** on campus, and during patient visitation.
 - ✓ Visitors will perform hand hygiene on entry to the hospital and upon entry to the patients' room.
 - ✓ Visitors should go directly to the unit and report to the registration/nursing station on arrival.
 - ✓ Common gathering areas such as family rooms and surgical waiting areas are not available. Do not stop at other departments.
 - ✓ Upon exiting the patient room, visitors will wash/sanitize hands again.
 - ✓ Patients are encouraged to wear a face mask during visitation (if tolerated).
 - ✓ Visiting periods should be brief and limited to approximately 1 hour, unless specifically approved by the clinical staff on the unit.
 - ✓ Visitors who violate visitation guidelines may be asked to leave the facility.
-
- These guidelines may be adapted to meet the patient's needs.
 - Alternative means of communication are available (iPads, cell phones, etc.) for patients and visitors.
