Migraine Headache -----Requires Consult-----

*Sorry, insurance not accepted for treatment of these conditions.

WRINKLE RELAXING TREATMENTS (NEUROMODULATORS)

We offer pricing by treatment area rather than by unit and pricing is the same no matter which brand is selected. This allows us to focus on best results rather than cost while doing a treatment. We encourage patients to return 2 weeks after treatment for reassessment and we will happily provide any requested complimentary "touch-ups."
