## Specialized Fitness Descriptions

<b>Balance</b>	This class is designed for our senior members, as well as those with daily balance issues. Focuses on exercises to improve and assist with balance, stability, flexibility, coordination, and fall prevention. Exercises are done in a chair, standing up, and with a balance bar for support.
<b>P.A.C.E.</b>	“Personally Active Challenged Exercise” is specifically designed for individuals with limitations resulting from stroke, MS, Parkinson’s and other diseases.
<b>Vinyasa Yoga</b>	Vinyasa Flow will link postures together with the breath through sequencing that supports a well-balanced practice. We will explore sun salutations and the power they bring to the practice by linking standing, balancing, core, backbends, forward folds, and twists together. This class is geared towards students who have a strong foundation of the basic postures and breath awareness. Modifications will be offered to customize the practice for individual needs. Bring your own yoga mat.
<b>Meditation</b>	Regular meditation helps restore mental, emotional, and physical health by way of relaxation. It also helps us better handle stress. Join us and experience an effortless form of guided, sleep-based meditation. Bring your own yoga mat.
<b>Multilevel Yoga</b>	This class continues to build on foundational yoga postures while linking conscious breath with a mindful flow. This class provides a more advanced yoga practice to incorporate strength and flexibility, but also gives modifications. All levels are welcome to join the class, however, it is helpful to have a basic knowledge of yoga. Please let the instructor know of any prior injuries or surgeries in order to provide you with the appropriate modifications if needed. Bring your own yoga mat.
<b>Low &amp; Light</b>	Low Impact Cardio, Upper body weights, Barre and Core. This class was formerly known as Osteo.
<b>Chair Yoga</b>	Stretch and strengthen your body while safely improving your balance. Exercises are performed with a chair and the wall is utilized for support.
<b>Yin Yoga</b>	A slow-paced style of yoga that cultivates awareness of inner stillness by holding postures for longer periods of time (90 sec - 2 min). A more meditative approach to yoga that applies moderate stress to the connective tissue of the body with aim of increasing circulation in the joints and increasing flexibility. Intended as a compliment to more active forms of yoga and suitable for all levels. Bring own yoga mat.
<b>Barre Fusion</b>	A fusion of aerobic sculpt, ballet barre, and Pilates that works the entire body. Strengthen, lengthen, and stretch your body from top to bottom while working from the core. Light-weight strength training and fluid movements will help sculpt and create a long and lean physique.
<b>TAI CHI</b>	Finding its roots in martial arts, this class guides you through a series of exercises that improves circulation, flexibility and balance. The slow, controlled movements also help to improve muscular strength while relaxing the mind. It is 45-minutes of nurturing calmness.
<b>Stretch</b>	This class is designed to help increase your body’s range of motion, improve flexibility and circulation, relieve stress, and relax. Enjoy this 30 minute, low-impact stretching workout suitable for all fitness levels!
<b>Yogilates</b>	Yogilates, is a fusion of Yoga and Pilates. You will focus on alignment, breathing, developing a strong core, and improving coordination and balance. Both practices involve attaining specific postures and emphasize correct breathing and meditative mindfulness. Blended together both work to heal your mind and body through improved flexibility, strength, control and endurance in the entire body.
<b>Foam Rolling</b>	Stretch, strengthen, and align your body by using the foam roller with Pilates style exercises. Learn how to find your natural foundation to experience less joint pain, more core stability, and better postural alignment. Bring your own foam roller 36” x 6”.
<b>Pilates</b>	This class begins with a standing warmup that is followed by a smooth transition of pilates exercises onto the mat. There is an assortment of equipment that is utilized in a variety of positions on the mat. These exercises allow for an effective mind to body awareness. This is a multi-level class with proper modifications for beginner, intermediate, and advanced students.
