

NCH Vendors,

NCH Healthcare System utilizes Green Security Services for vendor credentialing. **ALL** vendors and contractors requiring access to NCH facilities must be registered and obtain a badge from Green Security to be onsite.

Green Security will provide the background screening and credentialing service for all NCH vendors, service technicians, consultants, service reps, sales reps, etc. Green Security will also provide smart phone badges and hard badges that can be tracked through Green Security's technology utilizing the QR scanning and tracking service.

**Annual Cost:**

- Level 2A (Facilities and Construction Contractor & Courier) - \$125.00/yr.
  - Level 2B (Non-Clinical Vendor) - \$275.00/yr.
  - Level 3 (Clinical Vendor/Contractor) - \$275.00/yr.
- \*Annual registration fee covers access to any Green Security member hospitals.

**Smart Phone Badge App:** FREE (download from iTunes or the Google Play Store)

**Register/Renewal:** Visit our website: [greensecurityllc.com](http://greensecurityllc.com)

A background screening will begin once the corresponding credential has been filled out and sent for processing. We encourage you to allow 2-3 days to complete your Green Security renewal, prior to visiting an NCH facility. This will allow ample time for you to be cleared. As a reminder, all credentials are set by NCH Healthcare System, and are a requirement for being an approved vendor.

Please contact Green Security at 866-750-3373 or [support@greensecurityllc.com](mailto:support@greensecurityllc.com) to learn more or with additional questions regarding the vendor registration/renewal process. Their customer service team will be happy to guide you through the renewal. Their hours of operation are Monday through Friday 8am – 5pm EST.

***Upon arriving at an NCH facility, you will need to scan your Green Security hard badge at one of the Green Security vendor kiosks, located in the Hospital. Please note that if you do not have an approved Green Security badge, you will NOT be granted access to any NCH facility.***

We appreciate your cooperation.
