PILATES REFORMER

Pilates Reformer Descriptions

Pilates Reformer	With positive, professional guidance and instruction, you will lengthen and strengthen your body for improved core stability, poised posture, and better overall well-being. The reformer can aid the body on its path to health while you work towards efficient movement patterns, and it can provide resistance to build strong muscles and bones. The Wellness Centers offer classes which include use of the Reformer, Chairs and Tower apparatus.
Introductory Class	The Pilates reformer introductory class is a pre-requisite for anyone new to reformer at NCH Wellness. The instructor will spend some time getting to know you and to understand your goals. You will be introduced to a sample of various exercises using all available equipment including the reformer – springs, straps, pulleys, and rolling platform. The fundamental building blocks of the exercises will be explained so you feel confident, comfortable and excited about moving to the next level. Please wear socks.
Beginner Level	A beginner class that includes specific exercises dependent on the participant's skill level. The focus will be on core stability, pelvic and shoulder girdle stabilization, neutral spinal alignment and breathing. An introductory lesson is required before taking this class. Please wear socks.
Intermediate Level	An intermediate class that includes specific exercises dependent on the participant's skill level. The focus will be on core stability, pelvic and shoulder girdle stabilization, neutral spinal alignment and breathing. An introductory lesson is required before taking this class. Please wear socks.
Advanced Level	An advanced class that includes specific progressive exercises. A full understanding of the equipment is required before taking this class. The goal of each class is to create optimal musculoskeletal performance and strength, flexibility and endurance. Due to the advanced level of skills required, one of our certified instructors must first clear clients before taking this class. Please wear socks.
