

Becker's Recognizes 64 Simulation and Education Programs to Know

CHICAGO (January 2025) — *Becker's Hospital Review* is excited to highlight 64 hospitals and health systems with exceptional simulation and education programs.

These organizations are dedicated to advancing their workforce and service lines through innovative education and simulation initiatives. By offering realistic, safe and controlled environments, these programs enable learners to master essential healthcare skills. These efforts result in better patient outcomes, enhanced safety and lower healthcare costs.

The full list features individual profiles of all programs on the list, and can be read [here](#). The *Becker's Hospital Review* editorial team accepted [nominations](#) for this list.

Note: This list is not exhaustive, nor is it an endorsement of included hospitals, health systems or associated healthcare providers. Organizations cannot pay for inclusion on this list. Hospitals and health systems are presented in alphabetical order.

About Becker's Healthcare

Becker's Healthcare is the go-to source for healthcare decision-makers and one of the fastest growing media platforms in the industry. Through print, digital and live event platforms, Becker's Healthcare equips healthcare leaders with information and forums they need to learn, exchange ideas and further conversations about the most critical issues in American healthcare today.
