

NAPLES COMPREHENSIVE HEALTH

## Justin Blohm

Vice President, Hospital for Special Surgery (HSS)  
at Naples Comprehensive Health (NCH)

Justin Blohm comes to NCH to help lead a significant development in the collaboration between Hospital for Special Surgery (HSS) and NCH. As we continue to work together to enhance musculoskeletal care in Southwest Florida, we are delighted to have Justin join us as the Vice President of the Musculoskeletal Center and Service Line at HSS at NCH.

Justin Blohm reports to HSS Florida CEO Tara McCoy and NCH Chief Strategy Officer and General Counsel, Matt Heinle. He and Dr. David Backstein, the HSS at NCH Medical Director, will be responsible for the day-to-day operations of the MSK service line.

Justin comes to us with extensive experience, having served as Vice President at an orthopedic practice in Fort Myers and previously as Chief Executive Officer of a medical group in Michigan.

HSS, a renowned institution founded in 1863, stands as the nation's leading academic medical center for orthopedic and musculoskeletal health. It has consistently held the no. 1 position in orthopedics nationwide according to US News & World Report.

Justin Blohm's appointment marks another important milestone in our strategy to provide exceptional musculoskeletal care for the residents of Southwest Florida. The 100,000 square foot building on the North Naples Hospital campus offers comprehensive outpatient and inpatient musculoskeletal services, including an ambulatory surgery center, clinics, imaging, and rehabilitation services.
