

NAPLES COMPREHENSIVE HEALTH

## Nicholas Clark, MD

Minimally Invasive Spine Surgeon, Hospital for Special Surgery (HSS) at Naples Comprehensive Health (NCH)

Dr. Nicholas Clark completed his medical degree at the University of Wisconsin School of Medicine and Public Health in Madison, Wisconsin. He then completed his residency in orthopedic surgery at the Mayo Clinic in Rochester, Minnesota and a fellowship in spinal surgery at the Hospital for Special Surgery in New York, New York.

Dr. Clark specializes in minimally invasive spine surgery for patients with cervical, thoracic, and lumbar spine disorders. He treats every patient as he would his own family and tries to avoid surgery whenever possible. When surgery is required for a patient, Dr. Clark uses his training in minimally invasive techniques, when applicable, to provide cutting-edge care, giving patients the best outcome while minimizing pain.

### Special Expertise:

- Minimally invasive spine surgery
- Motion preserving spine surgery
